

Praise Report

I am a member from the Church of The Revelation and I started going to The Cutting Edge Ministry because my church didn't have a single's ministry. About three years ago I remember going downtown to The Christian Singles Network where singles from all over the tri-state area meet to fellowship. This was a very difficult time in my life and I knew that I had to leave my old friends and surround myself with Christians that had principles and values. As I was sitting there that Friday night, God used a sister named Donna Gaillard to hand me a flyer about a TCEM event that was taking place the following day.

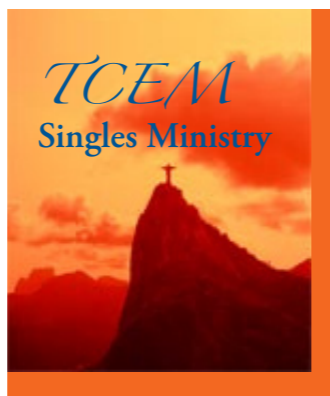

There was something about the flyer that drew me to the event the following day, it was so attractive and the topic was so interesting that I knew that I had to be there. This was the beginning of a turning point in my life. TCEM provided a spiritual environment for singles to grow in the love of Christ; it was an anointed ministry where I was free to express my hurts so that I was strengthened to overcome them.

Since then I have invited some of my friends, and family who have come to countless events, like retreats, various teachings, and I even completed The Purpose Driven Life series.

I can truly say that TCEM has made a difference in my life, it has made me wiser and has taught me how to avoid the pitfalls when I am tempted. God used this ministry as an vehicle to fellowship with my brothers and sisters in Christ in a time where I needed it the most and I look forward to many more events!!!

In His Love,

Charmaine Evans

Mission:

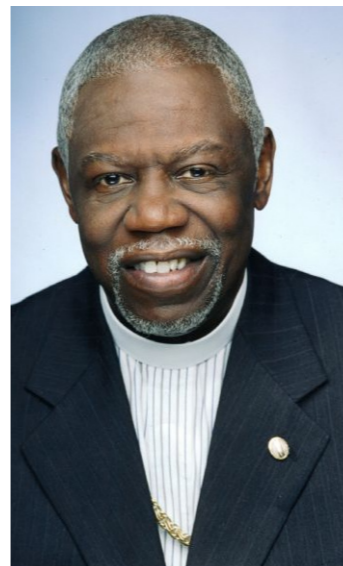

TCEM fellowship of Love Gospel Assembly is a catalyst that sets the pace and is used as a vehicle for the kingdom of God. We are allowing God to utilize our gifts and abilities to fulfill His purpose in our lives. To establish spiritual standards that will enable us to accomplish the great commission.

Purpose:

The Cutting Edge Ministry is a three-fold support ministry that is devoted to ensuring God's Plan in the lives of all Christian singles. We serve the local church in a variety of ways; expressing our uniqueness and showing the love of Christ by coming together to build our relationship with Jesus and understanding who we are in Christ. Young Adults, Singles, Single again, and Single parents find it spiritually beneficial to meet regularly for relevant discussions through biblical teachings, workshops, informal/formal gatherings, service and fellowship.

Vision/Goal: Learning and sharing how to:

- ☞ Minister to the body, soul and mind
- ☞ Become multi-task and well balanced individuals
- ☞ Strive emotionally, culturally and socially
- ☞ Be good stewards of our talents, finances and time
- ☞ Build on our faith and belief
- ☞ Enhance character and commitment
- ☞ Network with other local single ministries
